2016 – 2018

Sauyo High School

2012 – 2016

Sauyo Elementary School

2007 – 2012

CAREER OBJECTIVE

A motivated Computer Science graduate seeking an entry-level position where I can apply my knowledge in web development, software testing, networking, and information technology. I am eager to contribute to a professional team, develop my technical skills, and gain valuable experience while delivering quality work

TECHNICAL SKILLS

- Software Testing: Manual Testing, Regression Testing, Test Case Creation, Test Scripts, Test Plans, Functional Testing, UI Testing, Bug Reporting, Test Reports, SDLC.
- Creating and executing test cases
- Performing functional and UI testing
- Identifying and documenting software bugs
- Checking application features against expected results
- Understanding basic SDLC and software testing processes
- Attention to detail when testing web applications
- Web Development: React.js, JavaScript, HTML, CSS, Responsive Web Design
- Mobile Development: Apache Cordova
- Development Tools: Git, GitHub, Visual Studio Code

PROFESSIONAL STRENGTHS

- Willing to learn and continuously improve
- Detail-oriented and organized
- Strong attention to detail and accuracy
- Able to work independently and collaboratively
- Good communication and time management skills
- Adaptable to new technologies and work environments
- Responsible and task-oriented
- Efficient in completing assigned tasks
- Willing to receive feedback and learn from others
